---

A motivated and forward-looking IT professional, honing skills as Full Stack Developer | MERN Stack | Node JS | React JS | MongoDB | MySQL | Tailwind CSS. Eyeing to join an organization with an aspiration to help it to raise its technological excellence bar besides developing own skills

---

## CAREER PROFILE

I'm a passionate MERN Stack web developer, with a strong focus on backend development and a keen interest in building responsive, efficient, and user-friendly web applications. While I enjoy crafting clean frontend interfaces, I specialize in managing robust backend and frontend logic, ensuring seamless performance and scalability.

Being a student of a reputable university of Pakistan, my endeavor is to excel in information technology and become a useful member of a society in this domain
